Subject: Comment on NEJM details of "asymptomatic" contact in Germany

Hi Dr. Fauci,
I'm filling in for Molly Walker on the coronavirus beat while she's covering a meeting for *MedPage Today*, but I wanted to see if you could be available to offer your quick reaction to the Supplementary Index published today (attached) in the *New England Journal of Medicine* regarding the widely reported asymptomatic contact in Germany.

Looking at the patient's daily take on how she felt it's unclear to me whether this qualifies as symptomatic or not. I imagine this will be disputed.

Best regards,

- Ian
