You have an interview today with Jack Curry of the YES Network (Yankees). Just last night, The NY Post ran a story that includes Jack among the many sports broadcasting stars that have come out of Fordham (b) (6); Jack and I have talked about this). Thought you might like to see it. Parts of your interview are also going to run on Michael Kay's show, and Kay also features prominently in this piece.

## How Fordham has produced a generation of sports media stars
