John:

Thanks for your note. I am copying Cliff Lane here since he and his team is involved in a clinical protocol with COVID-19 patients. He may be able to point you in the right direction.

Best regards,

Tony

Dear Dr. Fauci,

Hope you are doing well despite the rapidly evolving situation with COVID-19.

I wanted to send you a paper we just published last week that you might find relevant – please find attached and a NIAID piece below.
