Cliff;

I am attaching 2 documents: 1) The revised manuscript that Greg worked on in which I have added a number of tracked changes including deleting a substantial amount to get it between 800 and 900 words; and 2) A clean version where I have accepted all the tracked changes (Greg's and mine). Right now I like it the way it is and would not change it much if at all. What it needs now is references. Greg will take a shot at adding the references. If you have references, please send them to Greg and me. In the meantime, I will send it without references to Bob Redfield for his review/approval. Let us discuss by phone if you wish.

Thanks,

Tony
