Dear Dr. Fauci:

My husband and I are both (b) (6) so we've followed a lot of TV news regarding COVID-19.

We want to express our appreciation for your "no BS" presentation of the realities of the disease spread and what we, as a country, can expect.

We hear the politicians and the news anchors, but we find our comfort in the unwavering truth you deliver through the lens of your decades of experience and expertise.

And we thank you, more than you know.

Highest regards,
Celia and Jim Lewis
