Dear Dr. Fauci,

I hope all goes well. I wanted to quickly follow up and see if you might be free for a quick interview on Monday — it would mean so much to include your voice in the piece.

Is there a time on Monday that might work for you? We can jump on the phone for a 5 - 10 minute call if that works better for you.

Best,

Ben

Dear Dr. Fauci,

I hope this finds you well and thank you for all the work you are doing. I run the digital magazine, Frame, which publishes interactive documentaries made for mobile phones. We are working on a story about the current effort to create a coronavirus vaccine and would love to interview you for the piece.

We've interviewed Regeneron's Chief Scientific Officer, George Yancopoulos, and the piece will tell the story of Regeneron's push to create a coronavirus vaccine in record time. I was hoping you could speak to the broader issue of the often undercovered global threat of diseases and the lack of funding going toward infectious diseases.
