Importance: High

Hi Tony,

I'm forwarding an email I just sent to Paul Cieslak, MD.....one of the lead docs at the Oregon Health Authority (b) (6); he gives my clinic's Internal Medicine docs an 'ID Update' for my CME Grand Rounds each year) ...with this email note from Dr. David Brandon...hope you remember David....he was with Lynn's & Mort Lipsett's group at The Clinical Center.

...I'd bet a coke you know all about pooled samplingbut wanted to pass it along.

You have no idea how many people tell me that your COVID-19 messages on TV, etc. are top flight, enormously helpful and encouraging for them with the best information, in a sea now of poor information.
