Hello Tony,

Congratulations on being a Career Achievement finalist for the Samuel J. Heyman Service to America Medals (Sammies). I'm writing a Federal Insider column about the finalists and would like arrange a telephone interview with you for the story.

My questions include:

Why did you join the federal service?

Is there one example or anecdote that makes you particularly proud of your work?

What do you like most about your job?

What do you like least about your job?

Why would you recommend, or not, your agency and/or the federal government to those seeking career advice?

I know this is an incredibly busy time for you. I appreciate that the life and death issues related to the coronavirus are more important than any award. Nonetheless, I hope you
