Dear Dr. Fauci,

Newshour on the BBC World Service is today covering the US preparedness on the Coronavirus

Would you be available for interview on this topic?

We're on air at 3pm eastern and could speak to you live at around 3:10pm or alternatively we could record a few minutes between now and then. About 8 minutes duration and we've many ways to connect to get good audio (no video as we are radio).

If there is interest from your side then I'm on + (b) (6)

Yours sincerely,

Paul Coletti
