Subject: request for a live interview tomorrow morning, on MSNBC

Importance: High

Dr. Fauci, good morning.

Are you available to do an interview tomorrow sometime in the 7:30 to 8am ET hour, to discuss the latest news about the Coronavirus? The interview would be one on one and approx 5mins. I saw you on the Today show yesterday and I would love to get you on MSNBC to discuss this, I know our viewers will have a better understanding of the situation if you can take us through it.

I can arrange a satellite location/transportation/whatever is needed to make this work out.

Thank you for your consideration and I hope to hear from you soon.

All the best,

Shannah
