John:

Yesterday when I spoke to your IT/audio visual guy I told him to pull out the single slide with the comparative time lines for various vaccines over the years and show it on the screen. I then asked him to have the full set of slides ready for me to show. I have now abridged that "full" set so that I can whip through them if it looks like the discuss slows down. I am attaching this abridged version here. Please ask him to substitute this shorter version for the full set from yesterday. Call me if you have any questions.

Thanks,

Tony
