Dear Dr. Fauci,

As the research community responds to the global challenges of the COVID-19 pandemic, HIV prevention science matters as much as ever. Our priority as organizers of the HIV Research for Prevention (HIVR4P) conference remains the safety and wellbeing of all participants.

After careful consideration, we have decided to postpone the HIVR4P conference to **17-21 January 2021**. Updated details for the session(s) are listed below:

Session title:	HIV prevention 2020 – Where are we now and where are we going?
Session type:	Opening plenary
Suggested presentation title/topic:	Much accomplished; Much to do – An overview on HIV prevention research
Session description:	Today's plenary sets the stage for the conference week ahead, outlining the big-picture challenges we face in research, product development and access to prevention. Speakers will provide diverse perspectives on the state of the field today, the opportunities and obstacles ahead and priorities for action moving forward.
Session date and time:	Monday, 18 January 2021 - 16:00-18:00

Meet the Experts lunches

We invite you to host an informal table discussion at a Meet the Experts lunch on **20 January 2021, 12:00-13:00**. Daily meet the experts lunches provide early-career investigators and community advocates with valuable opportunities for informal, in-depth exchange with experts representing a cross-section of research issues, implementation challenges and HIV-affected communities.
