Dear Tony: I sent a brief note to my friend Jon Cohen to congratulate him on what I thought was his fine interview with you. In his response, he suggested that I should send a copy to you. I've been a little reluctant to do that because of what I assumed must be a flood of comments and advice that you are getting in your role on the task force. I attach the message to Jon below and I hope that some of the thoughts are useful and maybe a little comforting for you. With my very warmest regards and best wishes,

Ted
