Dear Dr. Fauci,

My name is John Chiogna. I work as a Physics teacher in Vancouver British Columbia. Attached below is a short write up on a possible inexpensive means of quickly sanitizing private and public locations such as care facilities, hospitals, schools, churches, government workplaces, arenas, etc.

I'm sure that the efficacy of 222 nm light has been considered by some already. However, I have included some numbers that take into account human safety limits, as well as references to peer-reviewed journals that support my claims. It is my hope that this may make this simple idea more plausible.

Please consider the merits of such an idea and implement it as you wish, thank you.

Yours sincerely,
John Chiogna
