This does not change anything I said this AM. It is perfectly compatible with what I said. No conflict at all.

Subject: cdc coronavirus

The CDC today alerted Americans to begin to prepare for community spread of the coronavirus.....does this changes Dr. Fauci's view on the virus? If so can he join us. If this doesn't change anything. We can use what he said this morning....or if he wants to come on and talk about the new CDC warning...we would like to speak to him.
