Subject: CUGH Annual Meeting

Hi Tony,

I know how busy you are but I wanted to give you a brief update on the Annual Conference of the Consortium of Universities for Global Health (CUGH) based in Washington, DC. Here is the link to the overall CUGH meeting which provides an overview of the whole conference <https://www.cugh2020.org/program>. As we discussed months ago you agreed to be in the opening day plenary session on April 18th, entitled "Emerging Infectious Diseases and their Impact on Global Health Security". **The details and other speakers are listed below.** I may try to organize a call of all speakers in a month to coordinate talks/topics as the session is 90 minutes with 5 speakers, and a lot of ground to cover, especially with the COVID19 outbreak.
