**Subject:** Request: Proposal Summaries - POCs Due 4/15; Summaries Due 4/20

Colleagues,

As discussed this afternoon, please find attached the POC sign-up sheet (tab 1; tabs 2-3 list the various proposals by category, theme, and IC), the IC-specific proposals, and the economic recovery proposals. We ask that you please complete the POC sign-up and send it to Jordan Gladman (b) (6) by **5 pm on Wednesday April 15**. We will then collate and distribute the completed spreadsheet to the Chairs for each of the themes and post it on the ICD SharePoint site. The individual proposals are imbedded in the pdf as folders sorted by theme. If you feel your proposal would fit better with a different working group, please feel free to engage with them.

We ask that, once the POCs have been identified, you quickly assemble to begin refining and synergizing your proposals. Each Chair should coordinate with their group to develop a 2 page max summary of the theme's research, along with a single combined budget. The summary should integrate the IC proposals as much as possible; however, it is fine (for valid/justifiable reasons) to describe a few unique projects that fall under the theme as well. That is, if they don't make sense to integrate, you don't have to, but please be sure to include them in the summary. These summaries should be sent to Larry and me (cc Jordan Gladman) by **noon on April 20**. We will build off these summaries to generate a document for Francis' review, which we ultimately hope will be informative as we prepare for a potential fourth supplement.

The ask in short:

- **April 15 at 5 pm** – send your POCs to Jordan, who will then distribute the completed spreadsheet to the chairs
- **April 20 at 12 pm** – chairs to send a 2 page summary of their theme (with combined budget)

Best,

**Tara A. Schwetz, PhD**  
Acting Director, NINR
