Subject: RE: Testing - JAMA - Important

Howard/Jay:

I liked Jay's answers to Howard's questions even though there were still some open issues. I will have to leave it to Jay and the CDC to continue with the discussion since I am really swamped. Sorry.

Thanks,

Tony

Thanks Jay

Have also copied Ed –

This is going to become very very important – (b) (4)

This is crossing my desk 4-5 times per day now – and will only get more important (and sadly confusing) – in the weeks to come.

Some questions would focus on public others on HCW (where I am sure general guide; talk with your CMO).

I do love the mention of monopoly – (b) (6)

What you think?

HCB
