Dear Tony,

I have always felt reassured when the good Dr. Fauci speaks, and now more than ever. As an American, a former colleague, a long-time admirer and student of your wisdom – thank you. We are all safer because of you, and the world will be a better place because of you. Again.

As you know, I am now leading the ONE Campaign. We've been quite active with the ONEWorld Campaign, dedicated to the fight against this newest virus, and focused on Africa. We've made some progress on debt, and next up is a focus on ensuring that a vaccine, when it comes, is available to everyone.

One of the things we want to do is educate people, in all of the places we work. It won't surprise you that of particular urgency amongst our partners in Africa is that facts and information get to people across the continent, but we also know that more facts are needed everywhere. So next month we are going to launch #PassTheMic, where every day for 19 days we will ask a celebrity to turn his or her social media channels over to an expert on COVID-19 for one day. So Julia Roberts might turn her Twitter
