Dear Dr. Fauci,

I was in touch with (b) (6) back in January and he said you all were underwater there with coronavirus. I can only imagine how much busier you are now, with COVID-19 taking hold across America.

We (myself, husband, and family) have followed the news since the start. In watching, I was reminded of the old sign we had posted on the printer between (b) (6) and my desk for quite some time that read, "Keep Calm and Trust Fauci". I can't recall whether we put that up during the Ebola outbreak or Zika, but never has it been more true. We never cease to be amazed at how well you carry yourself, respond to politically loaded questions, and get the truth out in such a way that any viewer can understand.

You also never seem to frustrate from answering the same questions which I am sure must get old. There has been one question I have yet to hear asked however. Who is cutting your hair? I know you used to have a regular gal but with social distancing, we are speculating that perhaps there is a White House barber you use. Of course we know how busy you are so don't expect a reply, just wanted to throw you a question you may not have had yet. I am also wondering how your office tree is doing. How many bungee cords are supporting it these days?

We have found plenty of reasons to smile with the whole family getting in on what we're dubbing the ASF #1 Fan Club. From memes, to cartoons, to t-shirts, we are all here supporting you and wishing for your continued health and success. I am attaching some of our shenanigans in hopes you get a kick out of it and to provide some comic relief.

You've been thanked over and over but I must say it too. Thank you, Dr. Fauci, for all that you do. And thank you to the staff behind the scenes that makes it happen. (b) (6) is no doubt just as busy as you as always (b) (6), are you reading this email? Hi!). When we see you at all hours from the NIH studio and your office, I think of the media staff support you receive, and especially assistance from (b) (6) for helping the ship run smoothly while you are constantly engaged, (b) (6) and your family, the list goes on. Thank you and thanks to your team.

Best wishes,

(b) (6)
