Cristina:

This is not just your ordinary person writing to us. This is Dr. Andrew von Eschenbach, former Director of NCI and Former Commissioner of FDA. I have no idea if this proposal has any merit; however, please have someone go over it carefully and put together a response. Also, only if appropriate, and feasible, see if there is any way we can be of assistance to him. Thanks.

Best regards,

Tony

Tony

Greetings. Always proud to see you at the White House (with Alex) leading the fight against this latest infectious disease threat. (b) (4)
