Thanks for the note. You certainly have covered a lot of ground with your questions. I look forward to seeing you tomorrow.

All: Below is an outline of questions for tomorrow at CFR. Sorry to get this to you late but it seems the news changes everyday. As you will see I focus mostly on coronavirus as I suspect that's where the interest will be but get to bio weapons toward the end.

I am happy to take additional questions or suggestions. These sessions go quickly and we have time for Q and A so I doubt I will get through it all but wanted you all to have something to look at.

Thanks again for doing this tomorrow.

Best

Fran
