Dear Tony,

I would like to respectfully ask if someone in your Institute could kindly review the attached précis regarding the current COVID-19 situation and recommend any revisions prior to my disseminating this to my at risk family members including (b) (6) and others in retirement communities who are concerned.

I appreciate that this would not be an official endorsement by you. I am only asking if there is anything that you or others think I could add or subtract from this précis to give solace to those who are in need of knowledge and comfort.

Thank you kindly for your attention to this matter.

Best wishes,
