Subject: Keynote Invitation: 3/20 CSIS Coronavirus Public Event

Dear Dr. Fauci,

I hope this note finds you well. It is my pleasure to invite you to be the opening keynote speaker at a CSIS public event on coronavirus on **Friday, March 20, 1:30-3:30 pm at CSIS** (1616 Rhode Island Avenue NW). The event will focus on the science, economics, and politics of the coronavirus and will feature experts on Chinese and international politics and economics, as well as public health. We would ask you to speak approximately **1:30-2:00 pm**. Your keynote would be followed by a panel discussion and a closing address, and we invite you to stay for as much of the event as you are able. Please find the full draft agenda and speakers for the event below for your reference.

We would be honored to have you participate in this important and timely event. Thank you for your consideration, and please let us know if you would like to discuss further or if we can answer any questions. We look forward to hearing from you.

Best,
Steve
