Brett:

The proposal below was sent to my office by David Margulies (Harvard/Boston Childrens) who is part of a group of prominent physicians and healthcare executives in Boston developing this idea (David Martin of the Brigham, Gary Gottlieb of Partners and others). See this op-ed they wrote in the Boston Globe yesterday regarding their proposal <https://www.bostonglobe.com/2020/03/25/opinion/mass-needs-comprehensive-care-response-coronavirus/>).

Can you take a look at this and let me know what you think? [REDACTED] (b) (5). David Margulies can be contacted directly at [REDACTED] (b) (6) or [REDACTED] (b) (6) if you need additional information.

Thanks,
Tony
