I am sorry Nehal, but I am really swamped right now and cannot make this a priority. I hope that you understand.

Dear Tony-

I wonder if you would be willing to participate in a short piece regarding use of biologics with looming Coronavirus for JAMA Dermatology or JAMA Internal Medicine?

Please see the email sent below to me by my colleague and collaborator Joel Gelfand from Penn.

I understand there are fierce demands on your time but we would be happy to draft for your approval.

Many thanks for your consideration!

All my best,
Nehal
