Dr. Fauci,

I wanted to personally thank you for being the voice of reason, security, comfort and insight. (b) (6)
As much
as I miss being in the office, I am grateful to say my Director is Dr. Anthony Fauci and share with my family, friends, and church that if you said it, it's gospel. They can bank on it! You have given comfort to my family and myself. You will never know how much! I want you and those who in researchers who are hard at work without much rest but tons of sacrifice including that of your families to find a vaccine, give the Nation a sense of safety and security in this unprecedented time are greatly appreciated. My family, friend and myself are send our prayers for your continued strength. Thank you doesn't seem like enough. I couldn't be prouder to work at NIAID and specifically on the 7th floor of Building 31.

Simply Grateful,
