Dear Dr. Fauci,

Thank you for the article, "COVID-19 : Navigating the Uncharted," which the Journal is pleased to accept for publication.

This acceptance is made with the understanding that neither the article itself nor any part of its essential substance, tables or figures has been published or will be submitted for publication elsewhere before it appears in the Journal. The acceptance is also made with the understanding that all the authors, the data, and its presentation meet the requirements as described in the Recommendations for the Conduct, Reporting, Editing and Publication of Scholarly Work in Medical Journals (www.icmje.org).

Please note that the acceptance of your commentary should be considered confidential information to be shared only with your coauthors until its final publication. To ensure that no news reports about the article appear prematurely in any form, do not speak to the media, hold press conferences, or issue news releases about your paper before the week of publication. You must receive an explicit commitment to withhold release of the information until the embargo is lifted at 5:00 p.m. (Eastern Time in the United States) on the day before the date of publication. If there are any questions about this policy, you should discuss them with the Editor.

We assume that financial relationships creating possible conflicts of interest for all authors have been fully disclosed to the Editor, including (but not limited to) any relevant relationships listed in the Open Payments database at
