Thank you my friend, hope it leads to something good for patients and the public.  
I was at a meeting of the "Philosophical Society of Texas" this week end and meet with a lot of Bush alums like Don Evans and Margaret Spellings etc and Margaret was commenting on the coronavirus scare and how fortunate we are to have you there at NIH looking after us!! If you ever decide to relocate to Texas you have a fan club here!  
All my best

Andy:  
Thanks for the note. I will take a look at this and more importantly, I will run it by the people here at NIAID who are running the nCoV research initiative. I will get back to you with their and my assessment. I hope that all is well with you. We are doing a lot of late nighters here. Feels like my internship. ☐☐  
Best regards,
