Dear Dr. Fauci,

I am thoracic oncologist at the NCI. I wanted to commend you on your tremendous (and exhausting) job on managing and steering our country with the COVID-19 pandemic. If you need additional any personnel to help with any clinical or non-clinical aspects of the current situation, I am more than happy to help. As you know we have scaled down our clinical operations and trials at the NIH CC and so I have more time.

Best regards,

Azam Ghafoor, MD
