Good morning Dr. Fauci,

I work in NIDDK in bldg. 50 in the Laboratory Endocrinology and Receptor Biology.

Thank you for all the information you have provided to our nation. I also want to say you are doing a terrific job in handling the COVID-19 virus, without you and your staff I don't know where our country would be.

I received the email below this morning from Jiang Yufei from Sino Biological. Not sure why I was sent this email, but I thought of you and your staff. Please see the email below.

Thank you again for all that you are doing to help keep us safe!

Stay safe!
