Dear Dr. Fauci,

I had the honor to interview you in april 2016 about the zika epidemic at your office for a program for national Swedish radio as their global health correspondent. I hope I may have the honor again now Sir?

I am now working as science correspondent for the national Swedish Television (non commercial public service, half the population as daily viewers) in our official Nobel prize laureate documentary program "Vetenskapens Värld" (the World of Science) and wonder if you have any chance to give us a 10 minute interview by web video before May 7th please?
