Billy:

Thank you so much for your note. You brought back a flash of happy memory that was wedged in the bottom of my brain. What a game that was! Billy Canavan and Donnie Walsh versus Tony Fauci and Artie Guarino. You guys were clearly better than we were; yet we won which proved to me then that anything is possible. Thanks again for bringing back such amazing memories. I hope that you are well and I wish you all the best.

Warm regards,

Tony
