Dear Dr. Fauci,

I am a Brussels-based journalist, member of the European Data Journalism Network (EDJNet), a digital news-making platform that affiliates media outlets across Europe.

I found a quote from you in this article which seems to be quite prophetic: <https://www.theatlantic.com/health/archive/2020/02/covid-vaccine/607000/>

I contact you to have a discussion about the effectiveness of the epidemic outbreak preparedness and response measures put in place by governments, particularly in terms of vaccine development.

I would like to know if we could have a chat on skype. Or, if you prefer, I can send you some questions by email.

I wait for your kind feedback

Regards
