**Subject:** RE: Red Dawn Breaking, COVID-19 Collaborative, Feb 16 start

More on South Korea (sounds just like what happened at Jefferson Barracks, just outside St. Louis, in 1918, armed with the exact same tools they had more than 100 years ago to control an outbreak). I assume they must also be taking measures within the base to limit spread (keeping infectious individuals apart from those not yet infected with isolation and quarantine and social distancing).

SEOUL, Feb. 21 (Yonhap) -- The military is making all-out efforts to prevent the new coronavirus from spreading further into the barracks, officials said Friday, after the country's first infections in the armed forces were confirmed.

Earlier in the day, a Navy sailor on the southern island of Jeju was confirmed to have contracted COVID-19 in the first such case among service personnel here.
