Hi Tony,

God knows you are doing the world's most important work right now, but if possible, I would love to talk with you for my COVID-19 project. I promised to keep it under 10 minutes, probably just 5.

My cell: (b) (6)

All best,

Mark

Hi Tony,

I hope you're hanging in there! If you have 5 minutes — 10 max — I'd like to talk with you for a COVID-19 project I'm working on.

My cell is (b) (6).

Thank you.
