Subject: Thank you

Dear Dr. Fauci,

I just wanted to say thank you for everything you are doing to educate us in this country, and keep us safe during this horrendous coronavirus pandemic. I can't even begin to imagine how difficult it is to maintain your composure and persevere with your focus, being constantly in the public eye and also trying to expertly guide a president who seems more preoccupied with his own image (and sound of his own voice), and political aspirations than with the actual well being of his country's citizens.

By now, it should be perfectly clear to us that we can't have a healthy economy without a healthy population.

(b) (6) We all have been diligent about staying at home (b) (6)

(b) (6) ordering food and other things to be delivered to our house (we all wash our hands 'religiously'). (b) (6) is the only one of us who occasionally goes to a grocery store or drug store if necessary and then, he always wears a mask, gloves, and keeps at least six feet between himself and anyone else, and gets in and out as quickly as possible. In addition, (b) (6) are so intent on keeping me well and alive, we haven't even, any of us, physically visited with each other, in person, inside our house for months.
