Alice:

It was great working with you today. Here is the reference. I believe that it will be in the Journal of Medical Virology. It has been accepted, but is not yet in print.

Best regards,

Tony

Dear Dr. Fauci -- many thanks for your time today; we are thrilled to have you as part of the TIME 100 Talks, which will go live tomorrow.

In the meantime, I wanted to double check the reference to the study you mentioned about the east and west coast strains and their potential difference in virulence. Realize it's preliminary, so just wanted to confirm any references we make to it. I checked the biorxiv and medrxiv but didn't find the citation. Would appreciate the journal if it was published. Many thanks! Alice
