Dr. Fauci,

I feel compelled to let you know directly when ever I talk to or correspond with an IC Director. I know you asked him to reach out. Just closing the loop.

Carl

Dinah and Ned,

It was a pleasure talking to you about what you are considering. As we discussed, here is the NIAID Strategic Plan that was just published, and two models of funding opportunity announcements for you to consider as models. I also think the Cancer Centers have aspects of collaboration, shared facilities, and research focus that you can borrow. So much of what NIAID has built is modeled on the Cancer Centers.
