Dear Tony,

This note is between long time colleagues.

This entire Coronavirus story, and the handling of it, has really escalated into an unexpected journey. I want you to know how much I have respected you professionally and medically for nearly 20 years. I also want you to know that I have appreciated how we have communicated through the years about threats to our world's health and how honest and transparent you have always been. I know you are in a unique situation and I want you to know that I respect that and would never put you in a situation with my correspondence that would jeopardize you in anyway. With that said, I hope you can keep me informed, off the record if need be, so I can continue to cover this story honestly and fairly.

With utmost respect,

Kyra
