Greg;

I am attaching 2 documents: 1) The revised manuscript that you sent to me in which I have added a number of tracked changes including deleting a substantial amount to get it between 800 and 900 words; and 2) A clean version where I have accepted all the tracked changes (yours and mine. Right now I like it the way it is and would not change it much if at all. What it needs now is references. Can you add up to 10 references? It might be easier for you to do that rather than Cliff. If not, I will send to Cliff and see if he can do it. In the meantime, I will send it without references to Bob Redfield for his review/approval. Let us discuss by phone if you wish.

Thanks,

Tony
