Good Morning Dr. Fauci,  
I just wanted to say a quick thank you for your recent words to the public. I am a high school physics teacher, and I recognize the importance and the challenges of conveying scientifically accurate information to the public. I watched you speak in the two recent press conferences held by the President, and I appreciated the way in which you communicated difficult information regarding the novel coronavirus. Please keep up the good work during what I'm sure is a very stressful time for you and everyone at the NIH.  
Sincerely,  
Sharon M. Eblen
