Adrian:

Thank you for your note. Sorry that I took a few days to get back to you, but I have been swamped. It is good to know of your work on the chimpanzee adenoviral vectors. The biosafety classification of viral vectors in the U.S. is within the purview of the CDC, and so I have copied CDC Director Bob Redfield on this e-mail. He would be able to point you in the right direction.

Best regards,

Tony
