Hello Eliseo and Courtney,

During the White House briefing on COVID-19 this evening, there was a discussion on the disproportionate impact of COVID-19 on African Americans, health disparities and data collection. Please see CSPAN Clips below I cued up.

I know we are not commenting but I would like to recommend that we have some talking points prepared and on hold in case we receive congressional inquiries. These topics are also receiving coverage on the networks.

Thank you,  
Natasha
