Importance: High

Dear Vice President Pence,

We are thankful for your leadership of the White House Coronavirus Task Force in gathering the latest information about the outbreak, working with doctors and scientists to find solutions, and communicating with the general public regarding the situation. We were blessed to meet with you back in August, 2019, when (b) (6) had expressed a desire to meet you. I have attached a picture from our meeting to help you remember. We pray for you often.
