Dr. Fauci:

I hope you are healthy and well. The [Partnership for Public Service](#) is honored to inform you that we have selected you as a finalist for the 2020 Samuel J. Heyman [Service to America Medals](#), otherwise known as the Oscars of government service.

You were nominated by Francis Collins for your outstanding career at NIAID and the work you are currently doing on behalf of the American people to prepare, inform and protect lives in our country and around the world during this uncertain time. Your work truly embodies the best of government that we strive to recognize through the Sammies program.

Attached, I've included the profile we have drafted to summarize your work and accomplishments – both for recognizing you as a finalist and for having the selection committee vote for the award
