Hi Tony, I just want to express my sincere gratitude for all you are doing to get us through this crisis. Everyone I've talked to at RML expresses their deep admiration and appreciation for your strong leadership, and we feel proud to be working for you. We listen to your hoarse voice every day. Personally, I have started two new lines of research to develop and test possible therapeutics for COVID-19. The cooperation and collaboration from everyone I've talked to, both here and around the nation, has been unbelievable. Please take care of yourself and stay strong and healthy for the sake of all of us!

Best regards,

Kim
