Subject: Covid 19 Double Mechanism. By Dr Brogna Carlo

Dear Dr A. Fauci,

we don't know each other. I was born (b) (6) I am a simple doctor in Medicine and live in a remote Italian region. I am no one. I trust in God that you can read my paper, being published. I send it to you to anticipate the exit times because I trust that we can really understand what Covid 19 is. Being nobody, I did what nobody would have done. I used the few tools I had available and questioned all the papers and data published so far. I describe what the dual mechanism of the Covid-19 can be. I anticipate that the result conclusion is not to my credit but I have been helped. I wish you a good read. May God bless us.

Sincerely with love,
