Hi Dr. Fauci,

I thought I would reach out to you amidst this crisis; I respect the work you're doing a great deal. (b) (6) Hani El-Gabalawy, did a research sabbatical at NIH (b) (6)

Amazing work that you're doing. I've been following your discussions and scientific innovation regarding COVID-19. I've been working for the federal government in Intelligence for about thirteen years and recently moved to the Canadian Public Health Laboratory Network Secretariat to support the Emergency Operations Centre at the National Microbiology Lab. I've been with the NML for almost my whole career.

Just a quick hello and deep respect for your work. My colleagues and Director have said that we're on the exact same page as you, in terms of your perspective and assessment of the pandemic. Although there is a border between us, know that we are in agreement with your work and I'm thrilled to see you advising the public. There is no better person to do the job.

Kindest regards,

Nadia El-Gabalawy
