Dear Dr. Fauci,

Thank you for everything you're doing for America and the world. I'm writing to you today, rather than calling, because it's impossible to imagine the degree to which leading science during this COVID-19 pandemic is impacting your life and your family. Please know, that your wisdom and passion brings so much comfort to millions, including our family and me, specifically. You may recall from our previous talks, that (b) (6)

(b) (6) What a vicious virus, Dr. Fauci ... unlike anything I've ever seen.

In addition to my work as Ambassador for the Elizabeth Taylor AIDS Foundation, it is also an honor and responsibility to serve as International Youth Chair for the National Pediatric Cancer Foundation. In that position, people approach with questions for our government that I am uncomfortable giving opinions on in ignorance. So reluctant to bother you - I'm seeking to learn who at the NIH I should bring this to?

The question comes from my associate (b) (6), (b) (4)
